No Serious Athletics, Just Serious Fun

Whether you're speedy and strong or just tagging along, everyone has a terrific time bonding with coworkers and meeting area colleagues while enjoying a spring day outdoors.

Celebrating 20 Years of Charitable Giving and Outdoor Shenanigans

Teams consist of four-to-six persons and each event requires four to participate. All teams must include at least one member of each gender.

Teams participate in five events:

1. Soccer Kick

Four-person teams compete in timed, undefended shoot-outs kicks. The "Gooool!!!" of this event is to score from as many locations as possible.

2. NBA 2-Ball

Each two-person team has 60 seconds to score as many baskets as possible from any of the marked shooting spots on a half court; each spot is worth a different point value based on the difficulty of the basket. C'mon Hot Shot, show us whatcha got!

3. Mystery Event

This year, we're swapping the football toss with an "uplifting" new challenge requiring both brains and brawn that's guaranteed to generate lots of laughs. What is it? You'll have to come to the Corporate Challenge to find out!

4. Dodgeball

Either a fond recollection of your favorite school recess game or the return of your recurring childhood nightmares of bullying bombardment come to life. To lead or to get out of the way? In this event you get to do both!

5. Briefcase Relay

The toughest commute you'll ever make: carry a briefcase through a challenge course that changes every year. Sometimes it's tires and hurdles, last year it was an inflatable slide. What grueling gauntlet awaits you March 31?
